Field telephone cable

Cable Description

- Conductor : 0.28mm×7Pcs
Three galvanized steel wire and four tinned copper
- Insulation : Black PE
- Sheath : Nylon
OD : 2.14mm
- Sheath color : Transparent
- Pair Twisted

Electrical Characteristics

- Rated Voltage(V) : 300V
- Operating Temperature Rated : -20℃ ~ +80℃
- Insulation DC Resistance : >2000 MΩ.KM
- Breaking load for two wires conductor : Minimum 70KG
- Minimum bending raduys : 8×OD
